Steamfitters Local 439

1220 Donald Bailey Drive

Caseyville, IL 62232

Friends;

Steamfitters Local 439 is sponsoring its 8<sup>th</sup> annual "Night at the Grizzlies" for the Illinois Fire Safety Alliance (I.F.S.A.) Burn Camp for Kids on Saturday, May 21, 2011. Helping fund this camp for the Steamfitters Local 439 is a tribute to a brother member who suffered the trauma and endless suffering until his death due to an explosion in 2004 at Granite City Steel, in Granite City, Illinois. We have risen over \$180,000 in the past for burn survivors to enjoy some fun during the summer. These kids have the scars physically and emotionally for the rest of their lives and deserve to enjoy life as a kid, please help us make this happen. It cost \$2000 per kid for 1 week of camp. This camp is ran solely on donations even the doctors, nurses, camp volunteers are all there for the one week before getting ready for the camp all donating two weeks of their time for the kids.

If you have not been to the Gateway Grizzly Stadium you will be in for a great treat, night of fun with lots of raffles, great food , family friendly and great friends all while helping a great bunch of kids.

Donations of gift cards, cash, and any items for baskets to raffle or buying tickets to the game all benefit the kids. For a \$20 donation you receive a pregame picnic and your entry to the game. Hope to see you on the 21<sup>st</sup>.

Best Regards

Janie Bailey
